SUMMARY

Recent graduate with 9.06/10 CGPA skilled in building web applications using React, Node.js, and MongoDB. Created multiple full-stack projects with AI features and modern designs. Looking to grow as a Junior Web Developer.

EDUCATION

Techno India Hooghly | Expected Graduation: August 2024

Bachelor of Computer Application | CGPA: 9.06/10

Key Subjects: Data Structures, Database Management, Web Development, Artificial Intelligence

WORK EXPERIENCE

Junior Web Developer | Tech Scooper | Jul 2025 – Apr 2026

- Building landing pages for construction and AI education websites using React.js and TailwindCSS
- Creating a LaTeX editor with live preview and export features
- Working with designers to turn designs into working websites
- Making sure all pages work well on mobile and desktop

PROJECTS

Construction Company Landing Page

React.js, TailwindCSS, Framer Motion

- Built a professional website for a construction company with photo galleries and contact forms
- Added smooth animations to make the page more interesting
- Made sure the site looks good on all devices
- Created a contact form that sends emails

AI Education Platform Landing Page

React.js, TailwindCSS, Framer Motion

- Built a clean landing page for an AI education platform with smooth animations
- Added scroll effects using Framer Motion to improve user experience
- Created responsive design that works on mobile, tablet, and desktop
- Designed reusable components for easy updates

LaTeX Editor

React.js, TypeScript, TailwindCSS

- Building a web-based LaTeX editor with live preview while typing
- Adding syntax highlighting to make code easier to read
- Creating export options to save documents as PDF
- Building ready-made templates for different document types

TECHNICAL SKILLS

Languages: JavaScript, TypeScript, HTML, CSS

Frontend: React.js, Next.js, Redux, TailwindCSS, Framer Motion

Backend: Node.js, Express.js, REST APIs, OAuth

Database: MongoDB

Tools: Git, GitHub, Postman, VS Code

AI Tools: Google Gemini AI, Google Maps API

LANGUAGES

Bengali (Native) | English (Fluent) | Hindi (Fluent)

INTERESTS

Open-source contributions, Web Development, Exploring AI applications, Learning, Creating unique and profitable project
